Services applied: A4604 (12/16/2022 to 2/14/2023)
This request has been approved.

This authorization is not a guarantee of payment. It is subject to the member's eligibility and contractual limitations as of the date of service. Eligibility and benefits are subject to change. If payment is appropriate under the terms and conditions of an eligible member's contract, payment will be made at the provider's contracted rate or 100% of the Medicaid Fee-for-Service fee schedule for noncontracted providers.

Approval is valid only for the services authorized by this form. Only completed authorizations will be processed. If the provider recommends service or surgery, additional preauthorization is required. Preauthorization does not guarantee benefits will be paid. Payment of claims is subject to eligibility, contract limitations, provisions and exclusions. Services may only be provided by and will only be paid to providers who are not excluded, debarred or otherwise suspended from participation in any state or federal program.

Protected health information (PHI): These documents contain PHI. Federal and state laws prohibit inappropriate use of PHI. If you are not the intended recipient or the person responsible for delivering these documents, you must properly dispose of them. If you need instructions, please call **1-844-405-4296**.

Providers: You are required to return, destroy or further protect any PHI that you receive pertaining to patients that you are not treating. You are required to immediately destroy any such PHI or safeguard the PHI for as long as it is retained. In no event are you permitted to use or redisclose such PHI.

Help us protect patient privacy: If you need to check one of the boxes in this section, please fax the document back and then destroy this correspondence. By checking a box, you agree to this statement: *I certify that the PHI contained in this correspondence has been destroyed and has not been retained, utilized or further disclosed.*

☐ Not treating these conditions ☐ Never treated this patient ☐ Not treating this patient now
