RE: Phillip Hudson, DOB: 09/22/1962, PT ID #7437

To Integrated Home Care Services

I saw Phillip Hudson in the office today.

Patient presents to the office today for a face to face evaluation in order to get battery replacement to his mobility scooter.

Patient has been diagnosed with Cellulitis/Abscess of lower extremity and he cannot independently ambulate with a cane or walker for any distance.

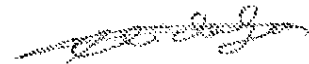

This medical condition has resulted in pain and weakness in both lower extremities. . He will require a new battery for his scooter.

Patient needs scooter in order to complete ADLs, such as bathing, feeding, grooming, and toileting to remain independent inside his home.

Patient has the cognitive ability to safely use and operate the power scooter.

Any question do not hesitate to contact me:

Sincerely,

Electronically Signed by: ISABEL HIDALGO, MD
